

## GUIDELINES FOR INTRAMURAL GRANTS PRESENTATION (FINAL ROUND)

- You are required to prepare a seven minute presentation highlighting the importance of your research and why should it receive the grant. For a sample slideset, please refer to <https://bit.ly/IntraGrant23>
- Your presentation should be a pre-recorded video. We advise you to pre-record your video using the Zoom platform with your camera on. Alternatively, you may use Microsoft Teams to record your presentation, still with your camera on. Regardless of the platform of recording, you should produce a high-quality video recording of your presentation in mp4 format only.
- You will only be given seven minutes for your overall presentation. The presentation should be continuous (i.e. no cuts or edits in between). Recordings of more than seven minutes will be subjected to deductions based on the time in excess of the seven-minute mark. A leeway of ten seconds after seven minutes is acceptable for wrapping-up.
- The recording should be sent as a working link or an attachment to [ctri@themedicalcity.com](mailto:ctri@themedicalcity.com) on or before October 18, 2023, 11:59pm. Recordings submitted after the deadline will not be considered.
- The final presentation will be on October 20, 01:00-03:00PM. The order will be announced on the same day.
- After playing each pre-recorded presentation, a LIVE open forum with the scientific advisory committee will be opened. It is important that the author is virtually present in the webinar room during the entire session of the competition to address the questions of the panel. The open forum will last for ten minutes at the maximum.
- Judging of the final presentation will be based on the following criteria:
  - Scientific Merit of the Research- 25%
  - Relevance to the CTRI Research Objectives- 20%
  - Applicability of the Research to TMC- 20%
  - Feasibility of the Research- 15%
  - Research Budget- 10%
  - Research Plan- 10%
  - TOTAL: 100%
- The grantees will be given recognition one week after the Research Week celebration. Additional details will be given for the processing of the grant.
