

GUIDELINES FOR THE PHYSICIAN-INNOVATOR AWARD

Objective:

- To recognize consultant physicians from The Medical City with significant medical and scientific contributions locally or globally in the last five years.

Guidelines:

- The Physician Innovator/ Researcher Award is open to all Active 1 and 2 medical consultants of The Medical City Ortigas.
- An application form will be opened by the Clinical and Translational Research Institute on September 15, 2023. The form will ask for basic information about the applicants, and why the applicants deserve to get the award. The form can be accessed at bit.ly/PIAwards2023. The deadline of submission is on September 29, 2023.
- The applicants will be screened by the CTRI and Medical Services Group Screening Committee. The top three applications with significant scientific and medical contributions will be chosen based on the full list of declared accomplishments between 2019-2023. Additional details or supporting documents may be asked from the applicants.
- The criteria for the scoring the applications are as follows:
 - Publications and Conferences (per research)

Level	Accomplishment	Score
Hospital	Publication in TMC Journal	2.0
	Presentation in Research Week	1.0
